

ORDER CODE: 75KIOSKOUTS (NON-TOUCHSCREEN)

Outdoor Kiosk for Public Displays, non-touchscreen. This enclosure for outdoor Digital Signage is as secure as it is attractive. The solution comes with a slot-in PC, so all the solution requires is a power outlet.

This cabinet is designed for commercial premises, public spaces and other locations in which the flow of visitors places high demands on the media equipment. It discreetly blends into different surroundings. Portrait orientation only. IP65 rated and air-conditioned.

Delivering Genuine Benefits

- 6mm toughened glass
- High-security locks prevent from external damage
- Can be bolted to the floor to be securely held in place
- Simple installation that gives a graceful impression
